## About This Game

A collection of hypertext stories where you read words and make choices by clicking on links. Most of the stories have content warnings and director's notes, so you can easily find the hot stuff.

Some of these games are available free online so you can make the informed consumer choice as to whether to subject yourself to this hideous garbage, or some other hideous garbage not personally written by me.

Contains: With Those We Love Alive, Howling Dogs, Ultra Business Tycoon III, Cyberqueen, High End Customizable Sauna Experience, Their Angelical Understanding, Skulljhabit, Parasite, Beautiful Frog, Climbing 208 Feet Up The Ruin Wall, Begscape, Orifice Clique, Sewer Diamond War of 3096 Reenactment, Her Car is the Edge of the World, Wild Wild Gender Mines, Myriad, Metrolith, Contrition, Ruiness, Frolic RPG, Mother, Shadowchildself, The Sky in the Room, Faceless Genderless Amorphous Bonemass Hairbeast, Miniskirt World Network: Business Slut Online, Miss Clemory and the Stranger, Vesp, Girlwaste, Ballast, Neon Haze, One-Move Boss.
